

THE EVANS NEW BOOK MAKER WHEEL.

ONE OF OUR LEADERS FOR 1905.

This wheel is particularly adapted for men on the road. Easily carried, no glass to break, nothing to get out of order and has a strong **per cent** in favor of the game keeper, yet always gets a play. The cut shows this wheel as a Red and Black wheel also as a Chuck Luck wheel, two distinct and different games in one, can be run as either game or both. This wheel is 24 inches in diameter, is made of solid mahogany and brass, handsomely nickel plated and pins are bolted through board. This outfit can be set on any ta-

ble or bar. This wheel will attract and hold a crowd anywhere as it is one of the most handsome tools we have ever manufactured. We also make these wheels to order, any game you wish. **Price \$35.00.**

N. B. This wheel can be made as a Roulette Wheel or a Crap wheel or as a Book-makers wheel (5 horses.) We also furnish this wheel with electrical control. Price and particulars on application.

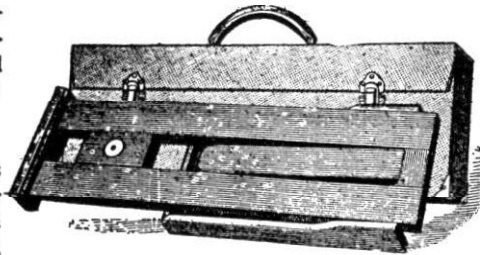

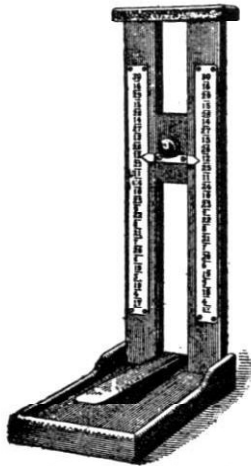

The World's Fair Striker.

A 1904 Invention, a King in Its Class.
