

THE EVANS ROULETTE WHEEL

This is the only wheel ever made that Ball cannot ride on. This wheel has the liveliest track ever put on a Roulette Wheel, built on Scientific Principles.

Price complete with 1000 Harris Checks \$185.00.

We guarantee this wheel to be equal to any wheel made by anybody no matter at what price it is sold, with every wheel we give a Five years guarantee.

The entire outfit is made of the best material money can buy, and is made by the highest classed workman money can hire. All wheels, check racks and tables have piano finish

All tables are put together with Nickel Plated Hand Screws. All tables are made of Black Walnut, each foot having an adjustable Rest by which table can be leveled from floor in one minutes time. Remember we make but one wheel, and that the Best. Price complete \$185.00.
