“Cut Out, Ink”

Does the work that white ink would do, was it **possible to make**, it can be applied to any colored card, and when rubbed off leaves a perfectly white surface, without destroying the gloss of the card. Full instructions with every Bottle. Anyone can handle this successfully. Price per Bottle - **\$2.00**

Shiner Holdout

We have just perfected the Shiner Holdout; no unnatural moves; nothing suspicious; the Shiner travels a distance of 8 inches out of your sleeve, to read cards dealt your opponent. By simply releasing, it darts up your sleeve again. This machine is made as a chest expansion which sells for \$75.00 or as a knee spread, which sells for **\$50.00**. N. B. We guarantee either outfit to please you.
