½ MUST COME WITH ORDER.

The Pocket Book Hold Out.

A 1908 INVENTION.

By simply laying your Pocket Book in front of you, as is customary in many table stake games, you are all ready to operate. By a slight pressure on Pocket Book you cause receiver to travel to Palm of your hand, to bring or take cards at will. Nothing suspicious. Nothing to detect as our machine is absolutely noiseless. Remember this Book is natural in size and appearance, is made to hold Bills just the same as any ordinary Pocket Book. Yet does its work to perfection.

This outfit is an entirely new idea, never having been offered for sale before. Buy now while the Idea is New. We guarantee it to please you.
