

THE JAMISON NON-KINKING SINKER.

This is a combination of sinker, snap and swivel. It is a time and trouble saver, a good friend to the bait caster. It will hold any bait right side up, and positively prevents the line from kinking in either casting or trolling. It weighs a trine over a quarter of an ounce. Cannot get out of order. Don't pick up weeds. Guaranteed to stand at least 50 pounds strain. Price, postpaid, net.....10c

Nos. 270 and 270B

THERMOS BOTTLES.

A bottle that retains heat or cold for days. It is made of two glass bottles, one inside the other with a small airless space between. The airless space being a vacuum, cannot transmit heat or cold. Has heavy nickel plated metal outside cover. Indispensable to the hunter, fisherman, camper, yachtsman, canoeist, and equally necessary around the house, in the sick room, and when traveling. Special pamphlet on request.
