# Mechanical Parts: Player's Edge-Plus Imbedded Bill Acceptor

## Warranty

IGT warrants that its products have been manufactured in conformity with all applicable jurisdiction regulations where this machine is licensed, and that during the warranty periods specified by contract, its products will be free from defects in workmanship and material. Minor deviations from specifications or descriptions shown in IGT product literature or service manuals which do not affect the performance of the product are not considered to be defects in workmanship or materials, and are not covered by this warranty. Operation or maintenance of the product other than as specified in IGT's service manuals, and any unauthorized modifications (even if intended to correct a problem) void all warranties. IGT's sole duty hereunder is to repair, correct, or, at IGT's option, replace defective products or parts during the contract warranty period only.

Information in this document is subject to change without notice and does not represent a commitment on the part of IGT, a wholly owned subsidiary of International Game Technology. No part of this manual may be reproduced or transmitted in any form or by any means, electronic or mechanical, including photocopying and recording, for any purpose other than the purchaser's personal use without written permission of IGT.

THE WARRANTIES SET FORTH HEREIN CONSTITUTE IGT'S SOLE AND EXCLUSIVE LIABILITY FOR DEFECTIVE AND NON-CONFORMING PRODUCTS OR PARTS. ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY DISCLAIMED. IN NO EVENT SHALL IGT BE LIABLE FOR DIRECT, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF USE, REVENUE OR PROFITS. REMEDIES SET FORTH HEREIN ARE EXCLUSIVE.

## **WARNING!**

*The following servicing instructions are for use by QUALIFIED PERSONNEL ONLY. To avoid personal injury or damage to the equipment, do not perform any servicing other than that contained in this manual.*

## About Field Service Documentation

IGT has restructured its typical service manuals to:

- Meet customer requests for separate parts and electronic manuals
- Reduce customer cost for manuals
- Allow customers to purchase the information they use most in the quantities they need

Complete Set of Documentation =  
Seven Standalone Manuals

(Binders must be purchased separately.)

### Packaging

*Note: All manuals are 8.5" x 11" format and come shrink-wrapped and 3-hole punched to fit into a standard 3-ring binder, except the electronic diagrams & parts manual, which is 11" x 17" and spiral bound.*

## Related Documentation

This manual contains information related to maintenance procedures only. It should be used in conjunction with the appropriate IGT field service manuals for operations such as machine specifications, installation, game software, troubleshooting, parts and electronics.

- The *Machine Specifications* manual (p/n 821-288-01) provides environmental, electrical, dimensional, stand, and lock specifications for IGT machines. It also includes IGT seat specifications.
- The *Machine Installation Procedures* manual (p/n 821-287-01) contains overall installation instructions for all IGT machines.
- The *Game Software: Player's Edge-Plus Products* manual (p/n 821-227-01) contains program information required to select options, test, diagnose and record cumulative data for Player's Edge-Plus machines.
- The *Troubleshooting: Game Machines* manual (p/n 821-283-00) contains procedures to diagnose and rectify common problems with IGT machines.
- The *Maintenance Procedures: Player's Edge-Plus Upright Machines* manual (p/n 821-229-00) provides complete field service instructions – removal/replacement, maintenance and adjustments, disassembly and assembly and functional verification – for both optional and standard components.
- The *Electronic Diagrams and Parts: Player's Edge-Plus Imbedded Bill Acceptor* manual (p/n 821-231-0x) contains wiring diagrams, board assemblies and schematics for Player's Edge-Plus Imbedded Bill Acceptor machines.
- The *Video Tester Operator's Manual* (p/n 821-052-00) contains information required to use the video tester (Model 9209) for testing processor boards and other machine components.

## Related Videotapes

Videotapes are available in NTSC or PAL format.

- *Player's Edge-Plus Overview* (p/n 828-030-00) presents video-style gaming machines introduced by features, model types, operations and component identification.
- *Machine Installation* (p/n 828-008-00) reviews the pertinent procedures for installing machines in standard gaming or video lottery environments.
- *Player's Edge-Plus Service: Maintenance* (p/n 828-040-00) reviews procedures for basic maintenance of Player's Edge-Plus machines in standard gaming or video lottery environments.
- *Player's Edge-Plus Service: Software* (p/n 828-041-00) reviews Player's Edge-Plus game software operation and setup.
- *Player's Edge-Plus Service: Troubleshooting* (p/n 828-042-00) focuses on problem analysis and solutions addressing the most common problems encountered in casino floor environments.
- *Player's Edge-Plus Electronics Repair* (p/n 828-015-00) presents detailed board-level instruction on Player's Edge-Plus processor boards for electronic repair technicians.
- *Ceronix Monitor Repair* (p/n 828-005-00) provides technicians with board-level repair information for Ceronix monitors.
- *JCM DBV-45-SS Bill Acceptor Service and Repair* (p/n 828-009-00) presents essential operation, service and adjustment procedures on the security stacker version of the JCM model used in IGT imbedded-style bill acceptor machines and newer side mounts.

## Customer Services

**24-hour Technical Information** - For viewing and downloading product information, contact IGT's electronic Product Information Network in North America (computer modem required):

1-800-448-1221 (from North America)  
702-448-2795 (from most international locations)  
1-800-12-1100 (from Australia)  
Website: <http://igtpin.intgame.com>

**IGT 24-hour Customer Service Hotline** - For calls relating to service or other technical assistance, call: 1-800-688-7890.

**For parts information, contact:**

# Introduction

IGT field service documentation consists of series of manuals. Each manual addresses a different aspect of field service and is designed to be used in conjunction with other standalone manuals related to maintenance, installation, game software, troubleshooting, electronics and parts. Manuals are tailored for product group or, in some cases, product models. Refer to the About Field Service Documentation in the front of this manual for a graphic representation of the manual series.

All manuals contain the following information to assist the reader in making the best use of IGT documentation:

- **About Field Service Documentation** – is included at the front of each manual, and includes a graphic representation of the IGT field service manual series.
- **Related Documentation and Related Videotapes** – appear at the front of each manual and list other books and videotapes that should be used in conjunction with this manual.
