

DICE SIZES

.750

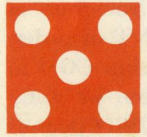

Shown on this page are ACTUAL SIZE illustrations of different dice sizes available.

.725

Use this guide to determine which size is best suited for your needs.

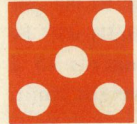

We supply dice in any size, from the smallest to the largest, and give you the same degree of precision and accuracy, regardless of size.

11/16"

All our dice are supplied in JUMBO SPOT, which is our standard spot. This style of spot gives you added protection against run-ins.

If, however, you are now using a spot which you particularly like, send us a sample and we can match your spot exactly at no extra cost.

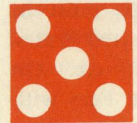

.650

When ordering dice, be sure and give us the following information:

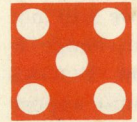

Stock number, size, color, edge, finish, monogram, if any.

This information will help us give you exactly what you want.

SPOTS AND MONOGRAMS

Illustrated are but a few of the different styles of Birdseye Spots which we can supply.

When ordering our No. 524 Birdseye dice, always specify the style of spot you want; Ring Eye, Single or Double Ring Eye. If you are now using a particular style of Birdseye Spot, send us a sample and we can match your spot exactly at no extra cost. All Birdseye Spot Dice can be furnished in a concave or flush style. Always specify to avoid error.

Under each monogram illustration, you will find a description. Those listed as Standard are supplied at no extra charge. Those listed as Special require special die which is made to your order at just its cost and is registered to you and used exclusively on your dice.

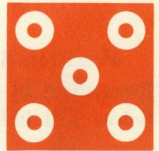

No. 523. Perfect White Tri-Color Flush Spot Dice, any size, edge, or finish.....Per pair **\$1.75**

The above dice ideal for all counter games.

No. 524. Perfect Birdseye Spot Dice, any size, color or edge.....Per pair **\$1.50**

Always specify style of spot desired. See illustrations.

A deposit of 1/2 must be sent with all orders.
