CARDS NOT LISTED

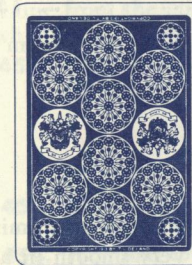

There are many types of card work which space limitations make it impossible for us to list. We originate hundreds of new combinations every year, but cannot show them all in this catalog. If you desire a special marking on your deck or ours, let us know what you want and we shall be glad to quote you cost for marking either your cards or ours. Special combinations can be developed for you exclusively. At the same time we have almost every other type of work listed as "mysterious", "unique", "exclusive", etc., either IN STOCK, or we will make them up for you.
