### GOLD RING SHINER

With our Gold Ring Shiner you can read cards as they are being dealt from the deck. Deal a hand and tell every card. Marked cards are not needed. Use any kind of deck. Our ring is made with a highly polished surface so that you can see every card in any kind of light. Looks just like any fine piece of jewelry. Nothing to be hurriedly removed. Simply twist back to normal wear. Note illustration: Ring is best worn on little finger of left hand if you are right handed. We guarantee the fit if you will measure your little finger as listed below.

To determine the size you need, cut a strip of thick paper so that the ends meet when drawn tightly around the little finger. Then lay one end of the strip at the begin-
