Do you want to build a machine? We have: Relays Step-Up Units, Coils, Contacts, Wire, Power Packs, Rectifiers, etc.

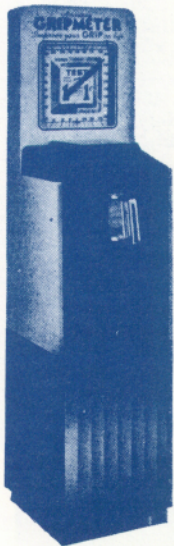

Don't Waste Valuable Space
Put unprofitable empty space to good use with our inexpensive upright machines, of minimum space requirement, and add to your revenues.

Every page in this catalogue has a message for you.

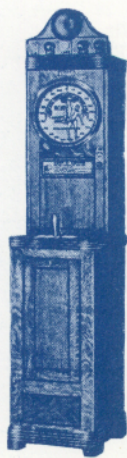

DON'T SELL PENNIES SHORT

Remember! Children are important to your business. Twenty-five pennies will be spent more readily by them than five nickels. Any game can be converted to a penny game.

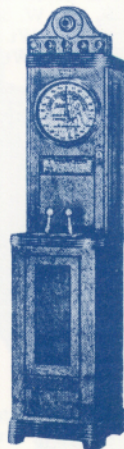

This catalog lists a variety of inexpensive machines suitable for penny operation.
